18th October, 2021

Dear Principal,

Re: Secondary One Admission Talk 2022/2023

Founded in 1999, our school adheres to the idea of whole-person development and has made 'An Arena for Proclaiming Christ, An Institution to Develop Human Potentials and A Cradle of Leaders' our mission and vision. We endeavor to become an outstanding Christian school.

With God's grace and the joint effort of the school community, the spirituality of students is nurtured and academic progress has been made. This year, 87.4% of our candidates met the 33222 requirement while 92.4% and 87.4% of them received JUPAS offers and offers from Bachelor's Degree programmes in Hong Kong respectively. The programmes are very diversified, including Medicine, Physiotherapy, Medical Laboratory Science, Biomedical Engineering, Architectural Studies, Social Sciences (Government and Laws) and Laws (double degree), Business Administration, Insurance, Financial and Actuarial Analysis, Investment Science and Finance Analytics, Professional Accountancy, etc. We are particularly motivated by this result.

Our students have shown their potentials and been recognized as outstanding students both at team and individual levels. In the previous academic year, our students received two Gold, one Silver and three special awards in "iCAN 2021 International Invention Innovation Competition in Canada". Student leaders also won The Best School Team for the fourteenth time in Sai Kung District Outstanding Students Election. In addition, our students have also attained fabulous results in various competitions in sports, music and aesthetics. We will remain dedicated to nurturing our students to fully unleash their immeasurable potentials.

Sun Kei Secondary One Admission Talk 2022/2023 will be held soon. We would be grateful if you could distribute the leaflets to your students. The entirety of our recent achievements and development is shared in the enclosed school publication – FACETS. We hope to witness the work of God with you. Should you have any enquiries, please contact our Vice Principal Mr. Liu Chi-yung at 2191 6022.

I cordially wish you all the best in your educational endeavours. I sincerely hope that our cooperation in facilitating children with life changing education will grow from strength to strength.

Yours sincerely,

Dr. POON Suk-han, Halina, MH
Principal
