My dad's name is Nelson. He has big eyes and big ears. He is tall and thin. He is as strong as a gorilla. My dad is a manager. He works in a restaurant. He serves food to people. He likes playing football and basketball. He is funny because he always tells funny jokes. My dad is polite too. He always says 'please' and 'thank you' to others.

My aunt's name is Couvrey. She has long hair and small ears. She is nice and smart. She is as pretty as a flower. She is a freelancer. She likes reading and wine tasting. She is funny because she always tells jokes. My aunt is kind too. She takes care of me.
