

3A Ho Lok Hang

### **About Mr.Ip**

Mr.Ip is my English teacher. He has black hair, a long nose and a small mouth. He has a cat and he likes travelling.

Yesterday, he took his friend Mr. Matt, a foreigner, to school. He had a big mouth, a long nose and blonde hair. I thought he was from America. He was quiet and calm when we were having the class activity.

Yesterday's activity was fun. Mr. Ip showed us his pictures in the past. It was funny. There was a picture showing him playing with water in a pond when he was small.

He is strong now. He can lift a lot of weight.
