A meaningful job I want to be

I want to be an actress when I grow up. I want to be an actress because I will be famous and have a lot of fans.

If I become an actress, I need to work in the TV station. When I become an actress, I do not need to wear a uniform.

Being an actress, I need to act in films. If I act in films, I will have a lot of fans and be famous. Also, I need to perform in commercials so that I can have a lot of money. If I have a lot of money, I will buy a big and beautiful house so that I will be very happy and joyful.

To become an actress, I need to be fit so that I can work for a long time and wear beautiful clothes. Also, I need to be good-looking because I need to appear on the screen frequently. Everyone will notice me and I will become popular. I need to be hard-working too so that I can act in many films.

I hope my dream will come true, then I will be happy.
